EVENT REPORT

Name Of The Activity	Green Chemistry	
Type Of Activity	Certificate program	
Date And Time Of Activity	8/8/2022 to 13/8/2022	10.00AM
No. Of Participants	25	
Resource Person	Mrs. Vinitha	
Coordinators	Department of Pharmaceutical Chemistry	
Description	<p>Moonray Institute of Pharmaceutical Sciences hosted a on Certificate program Green Chemistry on August 8 2022, facilitated by the Department of Pharmaceutical Chemistry and led by Dr. Aravinnd. The program focused on introducing participants to the foundational principles of green chemistry and its applications in the pharmaceutical industry. Dr. Aravinnd highlighted sustainable synthesis methods, environmentally friendly reaction conditions, and case studies illustrating successful implementations of green chemistry in pharmaceutical research and development. The interactive session encouraged discussions on challenges and opportunities, and the seminar concluded with a call for participants to integrate green chemistry principles into their academic and professional pursuits, promoting sustainability in the pharmaceutical field.</p>

Name Of The Activity	Seminar on Computer Aided Drug Design	
Type Of Activity	Certificate program	
Date And Time Of Activity	26/9/2022 to 1/10/2022	10.00AM
No. Of Participants	26	
Resource Person	Prof. Neelakant Dube	
Coordinators	Department of Pharmaceutical Chemistry	
Description	<p>The Certificate program titled "Computer-Aided Drug Design," which took place on September 26, 2022, at Moonray Institute of Pharmaceutical Sciences, was organized by the Department of Pharmaceutical Chemistry. Professor Neelakant Dube, an expert from the Department of Pharmaceutical Chemistry, served as the speaker for the Certificate program. The session focused on exploring the applications and advancements in Computer-Aided Drug Design, providing participants with valuable insights into this critical aspect of pharmaceutical research. Hosted by the Department of Pharmaceutical Chemistry, the seminar aimed to enhance the understanding of students and participants in the field, with Professor Neelakant Dube contributing expertise to make the session informative and enriching.</p>

EVENT REPORT

Name Of The Activity	Pharmaceutical sales representative	
Type Of Activity	Certificate program	
Date And Time Of Activity	7/11/2022 to 12/11/2022	10.00AM
No. Of Participants	32	
Resource Person	Dr.Nagappa	
Coordinators	Department of Pharmaceutical Analysis	
Description	<p>The principal addressed the gathering and welcomed the guest. The HOD introduced about the guest and handled over to the speaker. The speaker started with the Objective that To create, implement, and evaluate a workshop that teaches undergraduate pharmacy students about entrepreneurship. Workshops with 3 hours of contact time and 2 hours of self-study time were developed for final-year students. Workshops effectively delivered course content about entrepreneurship and helped develop relevant skills. This work suggests the value instruction on entrepreneurship. Finally the HOD delivered the vote of thanks and the guest was felicitated with a momentum.</p>

Description	<p>The principal welcomed the gathered audience warmly and greeted the guest, with the Head of the Department (HOD) delivering an introduction before handing over to the speaker. The speaker highlighted the FDA's pivotal role in upholding the quality of drug products by closely monitoring manufacturers' adherence to Good Manufacturing Practice (GMP) regulations. These regulations establish essential criteria for methods, facilities, and controls in the manufacturing, processing, and packaging of drug products, ensuring their safety, claimed ingredients, and potency. In the evaluation of new and generic drug marketing applications, a crucial aspect involves assessing the manufacturer's compliance with GMP standards. FDA assessors and investigators scrutinize whether the company possesses the necessary facilities, equipment, and capabilities to produce the intended drug. The HOD expressed gratitude in a vote of thanks, and the event concluded with the guest receiving an honorary memento.</p>

EVENT REPORT

Name of Activity	Breast and Cervical CANCER
Type of Activity	Certificate program
Date and Time of Activity	20/2/2023 to 25/2/2023
Details of Participants	21
Organized by	NSS Committee
Description	<p>On February 20, 2023, the Certificate program undertook a comprehensive Extended Activity by organizing an "Awareness Program on Cancer" to educate the community about the prevention, early detection, and management of cancer. Recognizing the global impact of this disease, the event aimed to dispel myths, provide accurate information, and encourage proactive health practices. Expert speakers, including healthcare professionals and cancer survivors, shared valuable insights on risk factors, symptoms, and available support systems. Interactive workshops allowed participants to engage in discussions about healthy lifestyles, cancer screenings, and emotional well-being. Certificate program collaborated with local healthcare institutions to offer on-site screenings for early detection. In addition to informational sessions, the program incorporated artistic expressions, such as testimonials and performances, to convey the emotional aspects of the cancer journey. Through this Awareness Program on Cancer, the Certificate program not only disseminated crucial information but also fostered a supportive community that understands the importance of early detection, empathy for those affected, and a commitment to creating a healthier society.</p>
