Governing Body Minutes of Moonray Institute of Pharmaceutical Sciences held on 5th July 2021, Monday 2PM through online

- 1) Governing body has discussed about the regular academic activities by the college

The members discussed about the online classes conduction through zoom meetings for the students and their percent presence in attending the classes. For sharing information to the students about the online classes every year (batch) students have a separate Whatsapp group.

- 2) About introducing of new 2 M. Pharmacy Courses (Pharmacognosy & Regulatory Affairs) and 6 years Pharm.D.

As our college is nearby most of the Pharmaceutical industries, majority of passed out B Pharmacy students are getting job opportunities. Even students are showing interest in doing their masters for their career development. In this perspective the management has taken a decision for introducing new M Pharmacy courses like Pharmacognosy & Regulatory Affairs and 6 years Pharm.D including raise in intake of B. Pharmacy from 60 seats to 100 seats.

There is huge shortage of Pharmacognosy faculty in the all academic institutions and industries where now days usage of herbal medicines growing up. Huge job potential for the Pharmaceutical Regulatory Affairs course in the industries and there is no additional requirement for the laboratories for this course. Now the central and state governments are implementing the role of clinical pharmacist in all hospitals in which the 6 years Pharm.D graduates plays a major role.

- 3) About online classes conduction for the students and mode of writing the mid examinations scheduled by JNTUH

For MID Examinations and assignments scheduled by the university, we used respective whatsapp groups for sharing the question papers and student used to send their answer scripts to our registered mail ID as PDF attachments.

- 4) About how our college students appearing for the final physical examinations during the COVID 19

We are providing our college buses for our college students to reach out their respective examination centers allotted by the university. We are strictly maintaining "No mask no entry" for the students to get into the buses and also monitoring the temperatures with thermal gun. We are also keeping sanitizers in all vehicles with regular cleaning.

- 5) About the preparedness & implementing COVID 19 precautions at our college as an exam center for the other college students to write their final physical exams safely

As we are having good enough space, we are keeping one student for one bench for writing the exam. Keeping sanitizers in all exam halls for the usage of exam applicants. We screen the students with thermal gun to know their body temperatures. Strictly implementing "No mask no entry" policy with in the college campus. Using water dispensers and disposable glasses for the drinking water purpose.
