ICT/COMPUTING SKILL DEVELOPMENT PROGRAM

MOBILE HEALTH APPLICATIONS

Date: 20/09/2023

Time: 10:00AM

Venue: Seminar hall

ACTIVITY REPORT

Name of the Activity	Mobile Health Applications	
Type of Activity	Computing Skills	
Date and Time of Activity	9/12/2023	10:00AM
Details of Participants	50	
Resource Person	Tanish Kumar	
Description	<p>The Mobile Health Applications and Computing Skills event at Moonray Institute of Pharmaceutical Sciences on 20th September 2023 provided an insightful platform for pharmacy students to explore the intersection of healthcare and technology. The event focused on enhancing computing skills relevant to the pharmacy domain, with a particular emphasis on mobile health applications. Students engaged in hands-on workshops and interactive sessions, gaining practical experience in utilizing health informatics tools, understanding pharmacy information systems, and mastering the use of mobile health applications. The curriculum encompassed data management, information security, and the integration of technology in pharmacy practice. This event not only equipped students with the necessary skills to navigate pharmacy automation and robotics but also fostered a comprehensive understanding of telehealth technologies. By promoting a forward-looking approach to pharmacy education, the event empowered students to leverage computing skills for improved patient care and efficient pharmacy operations in the evolving landscape of healthcare..</p>

Description	<p>On the 15th of February 2022, Moonray Institute of Pharmaceutical Sciences hosted a foundational computing skills workshop centered around the theme of "Digital Communication," commencing at 10:30 AM. Tailored to enhance students' digital competencies, the session delivered practical insights into adept internet navigation and proficient email communication. Participants acquired firsthand experience in efficiently exploring online resources and garnered knowledge on effective practices for composing and managing professional emails. The primary objective of the event was to empower students with indispensable skills applicable to academic research, communication, and their future professional pursuits. Through this initiative, MIPS College underscored its dedication to furnishing students with practical computing abilities essential for navigating the contemporary landscape of pharmacy education and practice, ensuring their preparedness for the challenges of the digital era..</p>

	<p>On May 18, 2023, Moonray Institute of Pharmaceutical Sciences orchestrated a transformative event titled "The Communicator's Mastery: A Journey to Success through Language Proficiency." Commencing at 10:30 AM, the program aimed to cultivate advanced language and communication skills among students. Attendees participated in engaging workshops, honing verbal and written proficiency essential for academic and professional success. Renowned linguists and communication experts shared invaluable insights, offering practical strategies to enhance articulation, interpersonal skills, and effective communication in diverse settings. The event facilitated interactive sessions, including role plays and group discussions, fostering a dynamic learning environment. Students left empowered with a heightened awareness of the pivotal role language plays in their future careers. MIPS College demonstrated its commitment to nurturing well-rounded graduates by providing a platform that goes beyond academic excellence, focusing on the integral skills needed for effective communication and success in a competitive professional landscape..</p>

Description	<p>On March 10, 2022, Moonray Institute of Pharmaceutical Sciences hosted a dynamic event dedicated to the refinement of presentation skills within the broader scope of Language and Communication Skills. The program, which commenced at 9:30 AM, provided a comprehensive platform for students to enhance their abilities in conveying information effectively. Expert presenters and communication specialists delivered insightful sessions, covering topics such as structuring presentations, engaging the audience, and mastering verbal and non-verbal communication. Attendees actively participated in practical exercises, honing their delivery and overcoming public speaking challenges. The event not only enriched students' proficiency in presenting ideas but also instilled confidence in their communication capabilities. MIPS College continues to exemplify its commitment to holistic education by addressing crucial soft skills like presentation proficiency, ensuring students are well-prepared for success in both academic and professional spheres..</p>

Description	<p>On May 21, 2023, Moonray Institute of Pharmaceutical sciences celebrated International Meditation Day, fostering life skills among its students. The event commenced at 10:00 am with an atmosphere of tranquility enveloping the campus. Students, faculty, and staff gathered to partake in a series of mindfulness activities aimed at enhancing mental well-being. The day began with a guided meditation session, led by experienced practitioners, creating a serene environment conducive to self-reflection. Various meditation techniques were explored, accommodating both beginners and seasoned practitioners. Additionally, informative sessions on the benefits of meditation in improving focus, reducing stress, and enhancing overall cognitive function were conducted. The event not only emphasized the importance of meditation as a life skill but also provided a platform for participants to share their experiences and insights. The college grounds transformed into a hub of positive energy, promoting holistic well-being. As the clock struck noon, participants emerged rejuvenated and armed with newfound tools for managing the demands of academic and personal life. The International Meditation Day at Moonray Institute of Pharmaceutical sciences proved to be a transformative experience, nurturing essential life skills and reinforcing the importance of mindfulness in the pursuit of academic and personal excellence.</p>

Description	<p>On September 21, 2022, Moonray Institute of Pharmaceutical sciences enthusiastically observed National Physical Fitness Day, championing the integration of life skills into the academic environment. The day commenced with an invigorating assembly at 8:00 am, bringing together students, faculty, and staff in a collective commitment to prioritize physical well-being. The event featured a series of fitness activities, ranging from yoga sessions and group workouts to informative workshops on nutrition and holistic health. Students actively participated in sports competitions, fostering a spirit of camaraderie and teamwork. The college's sports facilities buzzed with energy as participants engaged in various physical challenges, promoting the importance of an active lifestyle. Health experts and fitness enthusiasts delivered insightful talks on the significance of maintaining physical fitness for overall well-being and academic success. The event underscored the college's dedication to cultivating a holistic educational experience, recognizing the symbiotic relationship between physical health and academic achievement. As the sun set on National Physical Fitness Day, Moonray Institute of Pharmaceutical sciences echoed with the collective resolve to prioritize and uphold a culture of wellness, equipping students with essential life skills to navigate the challenges of both academic and personal spheres.</p>
